imagineKelowna

A vision created by our community, for our community.

Imagine Kelowna is our response to the forces of change. In 2018, Kelowna is a city in transition and Imagine Kelowna is the community's vision, principles and goals to thrive in the face of unprecedented growth and change. The result of almost 4,000 resident contributions, this is a vision created by our community, for our community.

Kelowna is a thriving city and an incredible place to call home. To flourish in the future, we need to be agile, resilient and unafraid to do

LESSONS LEARNED

- **Start with “Why?”**
- **Involve the clients in the process (50/50 Weirdo to Usual Suspects)**
- **“So what?” factor, e.g. don’t report; design tools to use the results**
- **Great design (workshops, materials, etc.) matters**
- **Use your network to generate greater reach and impact**
